

The Summit Road Society's Goals:

- To help preserve and enhance the native forest, shrublands and tussock grasslands and associated fauna.
- To develop and maintain tracks and other amenities.
- To seek to minimise residential encroachment and the erection of intruding structures.
- To encourage protection by purchase or other means for public benefit.
- To promote pride in the Port Hills and Summit Road and provide information services and educational activities.
- To promote integrated management and inter-agency cooperation for the Port Hills

MEMBERSHIP APPLICATION FORM

Working to enhance, preserve and protect the natural environment, beauty and open character of the Port Hills of Banks Peninsula for people to enjoy.

The Port Hills provide a unique backdrop to the fast growing City of Christchurch, and with the vast area of Reserves, and the walking tracks, provide unsurpassed opportunities for recreation and sightseeing. From time to time the Society organises walks, outings, field trips and tree planting on the Hills. For many years the Society has provided voluntary work parties—people with enthusiasm and dedication for maintaining and developing the Reserves and tracks. These groups work in close liaison with the Council Staff and Rangers. The Society also acts as a “watchdog” to preserve the beauty of the Hills.

We invite you to assist in the work we are actively pursuing. This can be done by:

- *Becoming a member*
- *Joining a Hill Work Party*
- *Making a donation*
- *Making a Bequest*
- *Purchasing our Port Hills booklet (\$20)*
- *Helping out at the Victoria Park visitor centre*
- *Helping out with sending mail-outs*

PO Box 17-719, Christchurch 8081
