AUDITOR'S REPORT

Opinion

I have audited Financial Statements prepared by **Summit Road Society (Inc)**, an Incorporated Society, for the year ending 31 December 2018. These statements include the Statement of Income and Expenditure, Statement of Assets and Liabilities, and the Notes.

In my opinion the Financial Statements provide a true and fair view of the financial activities of Summit Road Society (Inc) for the year ended 31 December 2018 and their financial position at that date. The organisation is not subject to the Financial Reporting Framework and no financial reporting standards apply.

My audit was completed on 17 May 2019 and my opinion is expressed as at that date.

Emphasis of Matter

The reader is advised to take note of the Basis of Preparation for these financial statements, under 'Notes to the Financial Statements'. The financial statements I have audited are not the statutory General Purpose Financial Statements of the organisation, which can be found on the Charities Register.

Basis for Opinion

I have been guided by New Zealand auditing standards ISA(NZ) in performing this audit in as much as they are applicable to small not-for-profit entities. The auditor's responsibilities with respect to such audits can be accessed here:

https://xrb.govt.nz/Site/Auditing Assurance Standards/Current Standards/Page8.aspx

An audit involves collecting and examining evidence that the information presented in the Financial Statement correctly represents the actual financial activities and position of the organisation to a high degree of certainty and accuracy. This also means that the information given in the Statements must be complete with no significant omissions that may mislead the reader of the Statements.

I selected audit procedures relevant to the not-for-profit nature, size and type of organisation and considered the information needs of the likely users of the Financial Statements. These procedures involved, but were not restricted to:

- Gathering evidence that both funds received and applied are accurately represented and
 include all funds collected and paid by the organisation that relate to the reporting period.
 Such evidence may include the organisation's internal processes and analysis of the
 organisation's transaction patterns.
- Gathering evidence that the presentation of the organisation's assets and liabilities is complete and that their values have been disclosed using reasonable accounting techniques.
- Analysing the likelihood of the organisation remaining operational for at least another 12 months after Balance Date.
- Gathering evidence about activities or changes to the organisation that may impact a reader's opinion about their future financial activities and that would be reportable in the

80/82 Fitzgerald Ave PO Box 13 625 Christchurch Ph (03) 260 0509 info@commaccounting.co.nz

Notes, such as legal commitments or events that have disrupted the entity after Balance Date.

I have received sufficient and appropriate evidence to form an audit opinion. Other than in my capacity as auditor I have no relationship with or financial interest in the Trust, according to the Professional and Ethics Standard 1 issued by the NZ Auditing and Assurance Standards Board.

Responsibilities of Those Charged with Governance for the Financial Statements

It is the responsibility of the organisation's Managing Committee to ensure that Financial Statements are prepared, that give a true and fair view and to ensure that appropriate processes and procedures are in place to prevent misstatements from occurring through error or fraud.
