

*Working to enhance, preserve and protect the natural environment, beauty and open character of the Port Hills of Banks Peninsula for people to enjoy.*

## **MEMBERSHIP APPLICATION FORM**

The Port Hills provide a unique backdrop to the fast growing City of Christchurch, and with the vast area of Reserves, and the walking tracks, provide unsurpassed opportunities for recreation and sightseeing. From time to time the Society organises walks, outings, field trips and tree planting on the Hills. For many years the Society has provided voluntary work parties - people with enthusiasm and dedication for maintaining and developing the reserves and tracks. These groups work in close liaison with the Council Staff and Rangers. The Society also acts as a “watchdog” to preserve the beauty of the Hills.

We invite you to assist in the work we are actively pursuing. This can be done by:

- *Becoming a member*
- *Joining a Hill Work Party*
- *Making a donation*
- *Making a Bequest*
- *Purchasing our Port Hills booklet “Port Hills – Protect and Enjoy” (\$20)*
- *Purchasing our DVD on the history of the Summit Road, Port Hills reserves and our Society (\$21)*
- *Joining our Predator Free Port Hills project*
